

XII Mon. February hath xxviii days.

N. N. of B---s County, pray don't be angry with
poor Richard.

Each Age of Men new Fashions doth invent;
Things which are old, young Men do not esteem;
What pleas'd our Fathers, doth not us content;
What flourish'd then, we out of fashion deem:
And that's the reason, as I understand,
Why Prodigus did sell his Father's Land.
